

It's up to you to do  
the right thing in  
the matter of  
Sinclair  
Broadcasting. If  
they broadcast the  
smear Kerry film,  
they should be  
required to offer  
equal time before  
the election in the  
same time slot to  
Kerry's people to do  
with as they please.  
Otherwise we will  
just get the best  
government that  
money can buy.

Sincerely,

Greg St. George
